

# CC IUCN Members Forum

### The CC IUCN's goal:

to promote a common vision for biodiversity in Canada and to engage CCIUCN members, IUCN Commission members and Canadian society in working towards common objectives in conservation and sustainable development.

### The CCIUCN provides:

- \* a networking forum for its members and with IUCN.
- \* a vehicle to consult on conservation policy in Canada
- \* promote policies consistent with those of IUCN
- \* facilitate the involvement of its members in IUCN global activities including participation in the World Conservation Congress.

## CC IUCN Work Plan: Considerations

- IUCN Programme IUCN Programme (2017-2020) is wrapping up;
- Convention on Biological Diversity are expected to adopt a new Strategic Plan for Biodiversity 2021-2030;
- IUCN post 2020 Programme is in development (2021- 2024);
- IUCN World Congress 2020
- Other?

## CC IUCN Work Plan – Looking Forward

Over the next 3 years there are opportunities for CC IUCN to:

- provide input to and feedback on, the direction of IUCN;
- Identify actions CC IUCN can take to support IUCN and Canadian members.

Starting with the end in mind....

## CC IUCN Work Plan – Looking Forward

It's January 2022. CC IUCN board and members are looking back over the last three years' worth of work.

**What 3 – 5 activities, which advanced the conservation agenda in Canada and supported the goals of the IUCN, are you most proud and/or had the most impact?**
